## HISTORY

Fondazione Cantonuovo intends to collect, develop, and spread its founders' activities and their musical production. In fact, Fabrizio Tiezzi is a musician and a composer who arranges and sing pieces with Angela Tancredi, singer and co-author. Maurizio Tiezzi is a drummer that often accompanies his two co-founders during performances. Fondazione Cantonuovo organizes concerts and sessions of contemporary music to bring deliverance and healing to the listeners and produces and distributes its musical compositions, translated in various languages, to spread the message of Jesus Christ. In addition, their CDs offer music of high quality and are available free of charge also on Internet (video / audio).

Moreover, Fabrizio Tiezzi has created the 'New Psalm Project' to sing the Psalms accompanied by rock music or other contemporary styles. The music is very carefully arranged and has a new original and modern 'taste'. The participation in this projects of professional musicians and emerging artists from several European countries ensure a high musical level and gives a more international atmosphere to their musical performance.
