

## PURPOSE OF THE FONDAZIONE CANTONUOVO

### Article 3

The purpose of Fondazione Cantonuovo is to:

- 1) Collect, preserve, develop and disseminate the life experience of its founders, their activities and their works based on Jesus Christ and His message;
- 2) Announce the message of the Kingdom of God, promote and develop its dissemination by any means and teach things concerning the Lord Jesus Christ and the action of the Holy Spirit in the lives of men;
- 3) Provide people, according to Christian principles and values, by any means and in any setting:
  - a. with opportunities and support so that they may:
    - i. learn God's purpose for their lives;
    - ii. develop their own resources to promote their well-being as individuals and members of society according to God's plan;
    - iii. express and enhance their skills, putting them at the service of others;
    - iv. retain their health, prevent diseases or impairments in general and improve and preserve quality of life;
  - b. with training and information, so that they may face and handle specific difficulties, moments of crisis, seek new options to make decisions and improve their relations.
- 4) Train people so that they live authentically and autonomously as witnesses and ambassadors of the Lord Jesus Christ and become agents of change to form a better society;
- 5) Reach out to, heal and support the afflicted, the sick, the oppressed, the victims of ignorance and prejudice, in every field, the poor and the socially disadvantaged;
- 6) Promote and support the creation and development of communities;
- 7) Bring together people from different nations, local communities and ethnic groups, so that, in the light of the Word of God and Christian values, they may share and exchange their spiritual and cultural experiences;
- 8) Foster cooperation, understanding, reconciliation and intercultural dialogue between nations, starting from European ones, in the fields of training, growth and guidance in spiritual, moral and material matters to interested parties;
- 9) Carry out development cooperation activities in favor of the third world population, pursuing goals of solidarity amongst peoples for the full realization of fundamental human rights, by also providing, supporting and promoting the on-the-spot training of citizens in developing countries and offering information and education activities too.

To this end, the Foundation, among other things, promotes, organizes, carries out and supports research, studies, publications, initiatives and spiritual, cultural and social events in every field and area. It performs and carries out prayer-related, spiritual assistance, socio-educational and relational, counseling and music therapy activities.

In particular, in order to fulfill its purpose, the Foundation intends to establish, manage, take care of and support, amongst other things, schools in general, as well as music and art workshops and disseminate the works produced. Furthermore, it intends to carry out consulting and training activities for businesses, agencies and organizations in general, to support non-profit organizations with a social purpose, run radio and television stations, engage in music publishing, run multi-media libraries, organize and hold seminars, workshops, conferences, congresses, concerts and round tables.
